# NINJAGO MORNING

Let's start this beautiful day with some training!  
Use your stickers to put the ninja team and Master Wu  
on their march to the Spinjitzu Temple.

# SPINJITZU MASTER TRAINING

Ninja have to train every day to stay in shape. What will today's training look like? Show it using your stickers!

# JUNKYARD BATTLE

The ninja are on their way to save the day! Add the ninja, more Serpentine, Skulkin and Stone Warriors to this epic battle at Ed and Edna's junkyard!

# ELEMENTAL ARENA

Garmadon can teach even the Elemental Masters a lesson!  
Use your stickers to make a night training scene at Chen's palace.

# MASTER VERSUS STUDENTS

Oh no! Wu became OverBorg's evil minion and now leads the Nindroid army! Use your stickers to create a scene of the ninja fighting Techno Wu.

# GHOST ARMY ATTACK

Spooky enemies were spotted in the city of Stiix! Show the ninja fighting Morro and his ghosts using stickers.

# RETURN OF PYTHOR

Devious Pythor has returned alongside Master Chen's Anacondrai Cultists. Use your stickers to help the ninja rescue Zane from the villains!

# ENEMY FROM THE SWAMP

A Vermillion Warrior swamp hideout? And evil Time Twins? Watch out for their fearsome Iron Doom mech as you create this slithering battle.

# A TRIP WITH THE PRINCESS

The ninja must protect Princess Harumi, but this doesn't mean they can't have fun at the oceanarium with her. Complete the scene using stickers.

# AN UNKNOWN LAND

The ninja have escaped the Oni Titan only to now face the Dragon Hunters. Take your stickers and recreate their first fight.

# THE SONS OF GARMADON

A new dreadful menace is hanging above Ninjago City!  
The motorcycle gang called The Sons of Garmadon are in town.  
Use your stickers to show what the gang members look like.

LUKE CUNNINGHAM

ONE OF THEM IS A  
FAKER. CAN YOU SPOT  
WHICH ONE?

# GANG VEHICLES

# STEP ON IT!

The Sons of Garmadon love to race. Place the matching shaped stickers in each racer's track. Look for the correct Garmadon symbols. The biker with the highest number of correct symbols wins. Give them a trophy!

STICK A  
TROPHY FOR  
THEM AT THE  
END OF THE  
ROAD.

# KAI IN ACTION

Kai stepped into action to show one of the Sons of Garmadon who's boss in this town. Take a look at the pictures from their duel and number them in chronological order from 1 to 5 using your stickers.

# NINJA GEAR

Prepare the ninja for the fight against the Garmadon-wannabe gang!  
Match the ninja stickers to the background colours. Then look at each  
Elemental Masters' bandana and stick the right symbol inside the frames.  
Samurai X will tell you what to do next.

# ONI MASKS

The motorcycle gang is on the lookout for three Oni Masks. Match the mask stickers to the outlines below, then read the descriptions to find out what powers they grant. Add a matching icon to each one.

**THE MASK OF HATRED**  
WILL COVER YOU WITH  
INVINCIBLE ROCK-LAVA SKIN

**THE MASK OF DECEPTION**  
ALLOWS YOU TO MOVE OBJECTS  
WITH YOUR MIND!

**THE MASK OF VENGEANCE**  
WITH IT YOU'LL GROW  
A NEW PAIR OF ARMS!

WITH THIS, WE'LL  
KNOW WHAT TO  
LOOK FOR!

## CHASE AFTER THE MASK

Ultra Violet stole the first Oni Mask and is escaping through the streets of Ninjago City. Help Jay catch her by leading him through the arrow maze. Mark the path using Jay stickers.

# MYSTERIOUS NINJA

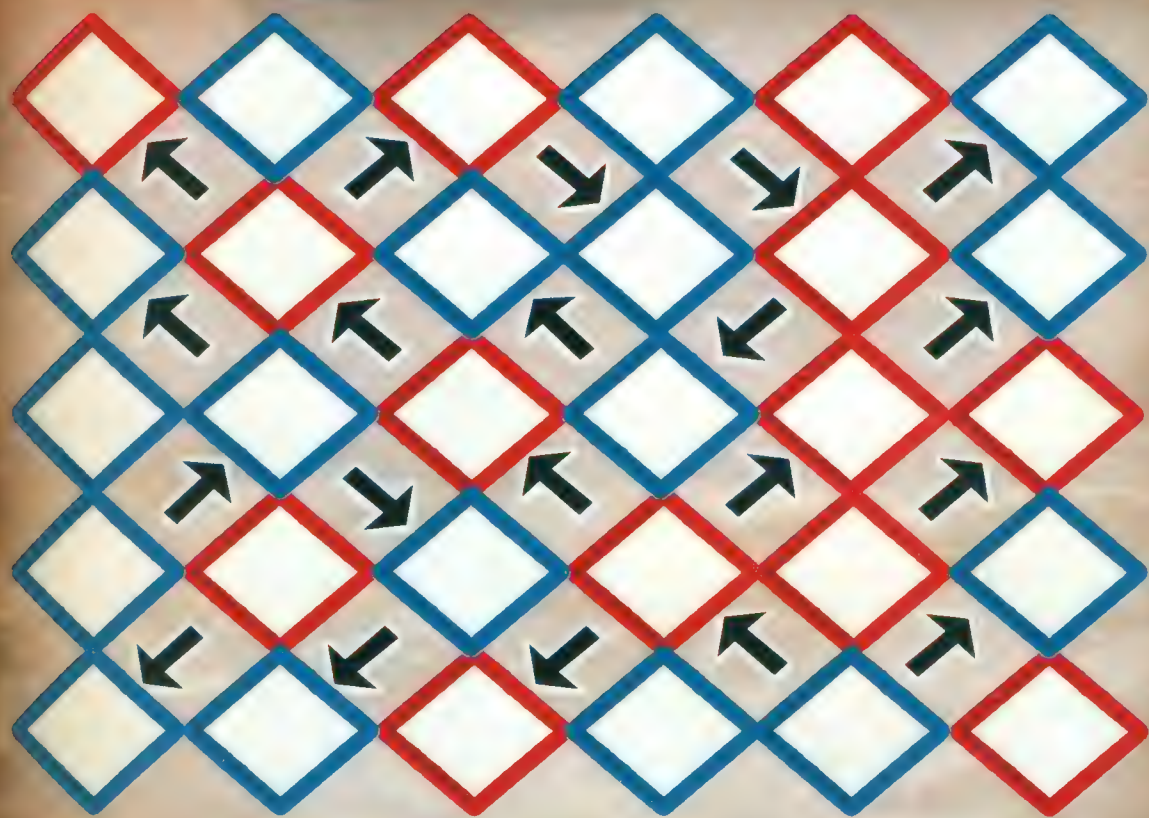

Killow rolled out to find the next Oni mask but one of the ninja is on his tail. Use your stickers to find out who is following him.

# DANGEROUS SPEED

Who will win the speed challenge? Find out by placing correctly coloured stickers only over the fields pointed at by the arrows. After that, count the portraits of each rival. The contender whose likeness appears more often will reach the finish line first. Stick a star below him.

# SAMURAI X ARRIVAL

Samurai X has arrived to aid the Masters of Spinjitzu.  
This mysterious figure really knows how to make an entrance!  
Can you find 10 differences between the two pictures?

USE STICKERS TO REPAIR THE  
PICTURE ON THE RIGHT SO  
THAT THE TWO ILLUSTRATIONS  
ARE IDENTICAL.

# FIND A FOE

The ninja are ready to take on the Sons of Garmadon. But which ones? Remember that in every row and column, all the background colours behind the characters must be different. Stick the portraits in the correct places.

I THINK I FIGURED IT OUT. HOW ABOUT YOU?

# DISGUISED ZANE

Our favourite Nindroid can disguise himself using a hologram! Place stickers to form shapes and see who Zane has turned into this time. Only one shape is Zane's hologram - he has a certain, distinguishing feature. Mark it with a sticker.

# FINDING HARUMI

Princess Harumi has been kidnapped. Every ninja has her photograph, but the pictures differ from each other. Stick on the real portrait of Harumi for Lloyd and find out which ninja holds the correct photo. Mark it with a star sticker.

# THE RETURN OF SAMURAI X

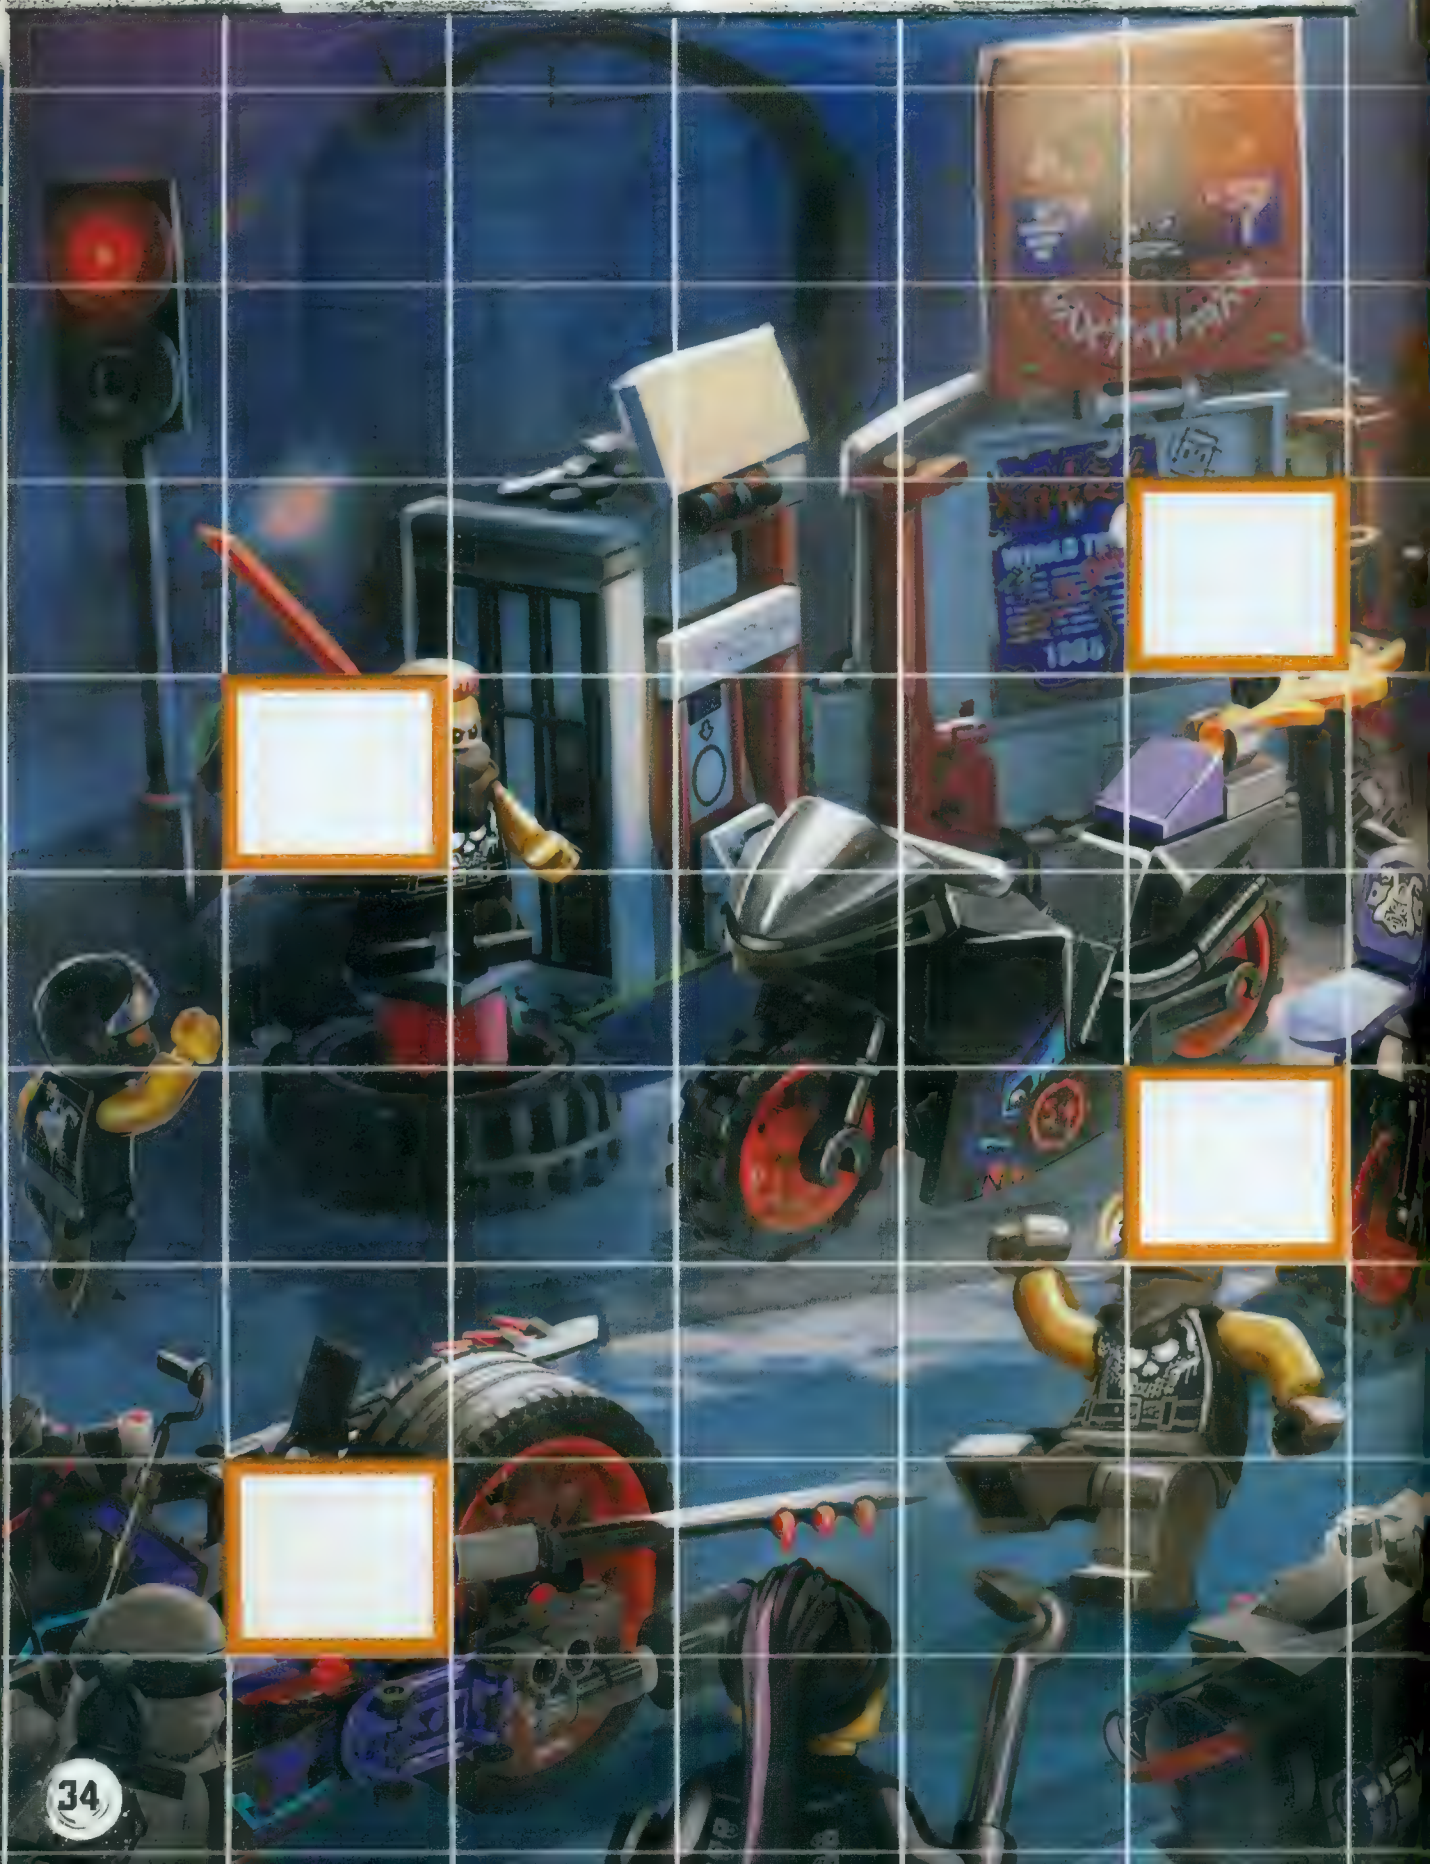

Wearing the Mask of Deception, Killow seems unstoppable. But Samurai X is on the scene! Stick on the missing fragments and show how Samurai X will take care of the huge adversary.

# SONS OF GARMADON GARAGE

Welcome to the headquarters of the Sons of Garmadon. Fill in the missing pieces with stickers. Can you find the six ninja on the page? They're waiting in the shadows.

# ZANE'S ESCAPE!

Zane went undercover as one of the Sons of Garmadon but his cover was blown! Cover the oil spills in the maze with stickers, find the right path, and place arrows that will lead the ninja out of the trap he finds himself in.

# MOTO-RIDDLE

Complete the grid by sticking on the correct characters inside the empty spaces. Remember that in every row and column there need to be four different Sons of Garmadon vehicles!

THAT TOOK ME  
ABOUT . . . THREE  
MINUTES.  
HOW ABOUT YOU?

# THE GANG SYMBOL

The Sons of Garmadon have left their mark on Ninjago City. Use your stickers to recreate a colour version of the Sons of Garmadon emblem.

HA! THAT'S OUR  
SYMBOL! IT'S  
AWESOME!

OH, YEAH? WHEN YOU'RE  
DONE, I'LL USE IT FOR  
TARGET PRACTICE.

# NINJA NIGHTCRAWLER

Lloyd needs a superfast vehicle to catch up with the Sons of Garmadon. Use your stickers to build him the Ninja Nightcrawler, quick!

THAT'S RIGHT!

AND NOW FIND OUT WHICH SHADOW BELONGS TO THE AMAZING VEHICLE AND MARK IT WITH A STAR.

# THE DUEL

The early morning light makes it hard to see who Lloyd is fighting. Use stickers to match the faded pictures and reveal his opponents.

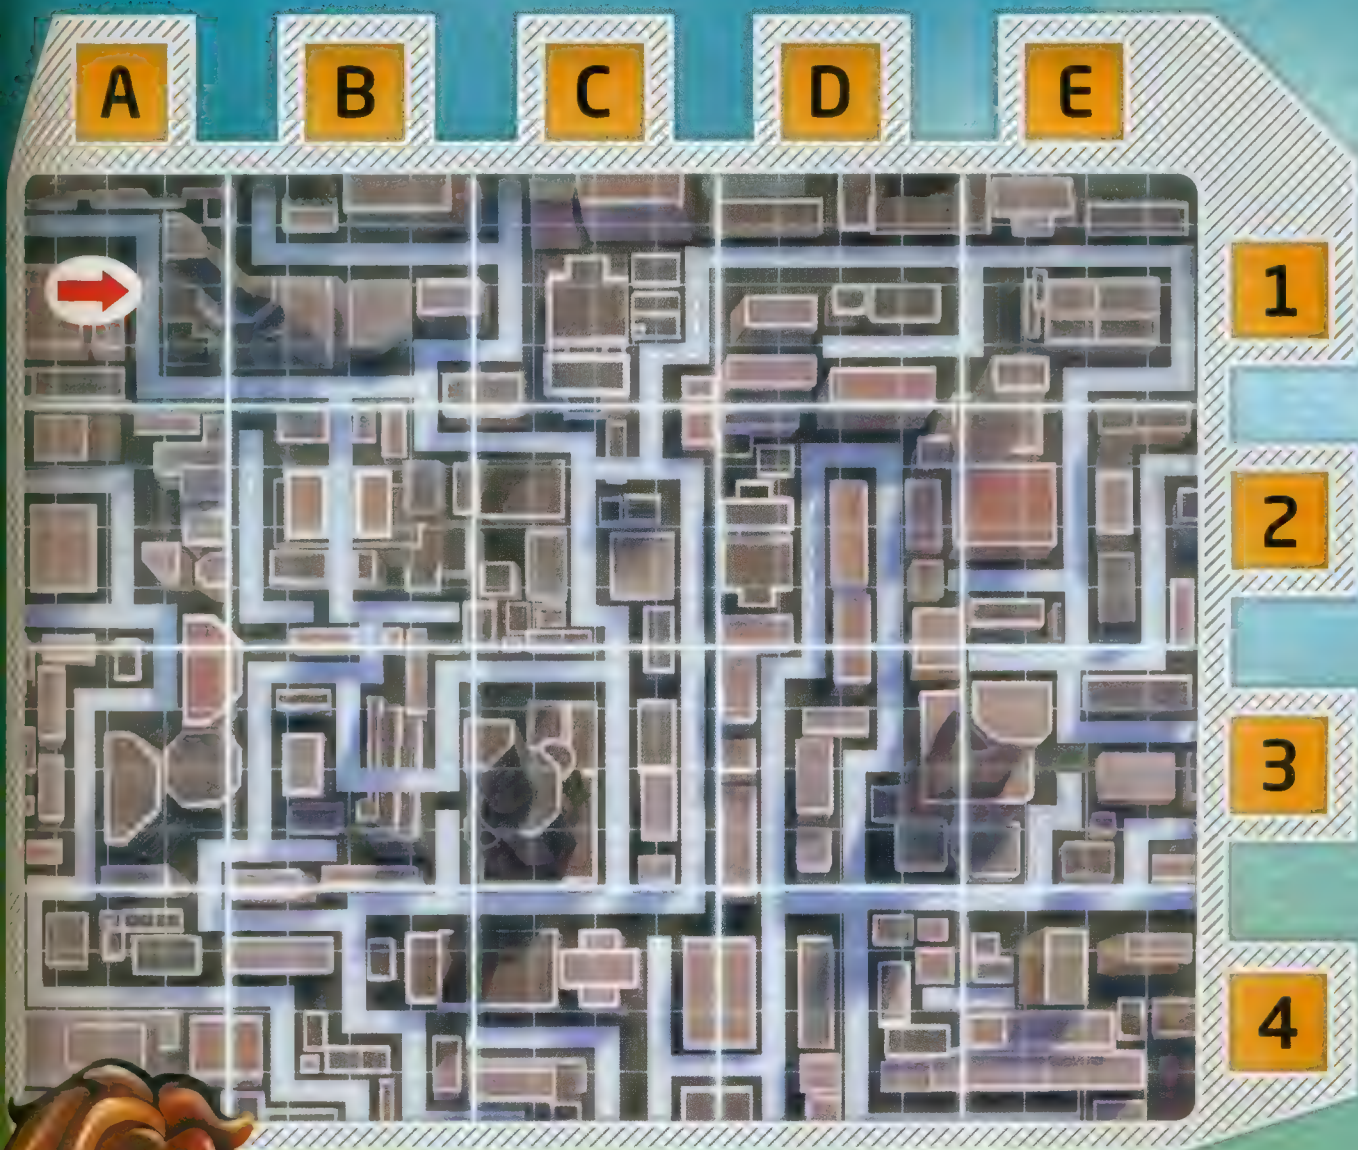

HURRY, I DON'T  
EVEN KNOW IF I'M  
AIMING RIGHT!

# HOMING IN

The Sons of Garmadon are having a street race in Ninjago City. Check the coordinates Jay acquired and mark the race course with arrows.

A1 - B1 - B2 - B3 - C3 - C2 - C1 - D1 - E1 - E2 - E3

# WATER CHASE

Kai is trying to catch Mr. E, but he doesn't have anything to chase him with. Use stickers to construct the Katana V11 vehicle for the Master of Fire.

IF YOU WANT TO SEE  
A SUPERFAST RACE,  
BETTER ADD SOME  
STICKERS TO MY SUPER  
MOTORCYCLE, TOO!

# UNEXPECTED ATTACK

Who attacked the motorcycle gang? Read Ultra Violet's account and try to guess. Mark the correct ninja and then add their action stickers below.

# SURPRISE!

The ninja are together again! But there's someone else with them. Complete the picture using stickers to find out who it is.
